# Helping Women Get Back to Work

The Massachusetts Conference for Women hosted an inaugural FREE Virtual Career Fair on the day before this year's Conference to help women get back to work amid the pandemic's disproportionate impact on the female workforce.

The event was promoted through our media and community partners and exceeded expectations in every way, with over 1,000 registered attendees and enthusiastic engagement between hiring employers and job seekers throughout the afternoon.

## *Attendee Feedback*

- "I was able to chat with, and get emails for, four different recruiters. I am very satisfied!"
- "The video chat was amazing. Recruiter immediately connected with me on LI and shepherded my CV! "
- "I was impressed that the chats with recruiters went so smoothly."
- "I found this event to be very helpful for networking."
- "Walked away with valuable information from both "Ask the Recruiter" sessions."
- "All booths I contacted were very responsive and helpful. I have made contacts with many companies. That was my goal."

"All in all, well done and thank you!!"

## *Hiring Employer Feedback*

- " We were very pleased with the traffic and quality of candidates"
- " I am so excited about the traction we have received."
- "We had some great candidates stop by our booth."
